Bodies and Souls: The Century Project is a new book by the American photographer Frank Cordelle. It is a chronological series of nude photographic portraits of women from the moment of birth through nearly a hundred years of age. The photographs are accompanied by statements, usually written by the women themselves, and often extremely moving.

Pythagoreanism originated in the 6th century BC, based on the teachings and beliefs held by Pythagoras and his followers, the Pythagoreans. Pythagoras established the first Pythagorean community in Crotona, Italy. Early Pythagorean communities spread throughout Magna Graecia. Pythagoras' death and disputes about his teachings led to the development of two philosophical traditions within ...

*Pythagoreanism - Wikipedia*

Immortality is eternal life, being exempt from death; unending existence. Some modern species may possess biological immortality. Certain scientists, futurists, and philosophers have theorized about the immortality of the human body, with some suggesting that human immortality may be achievable in the first few decades of the 21st century. Other advocates believe that life extension is a more ...
