2018 CLAAS Highlights Claas U K Ltd

CLAAS has been involved in the Hamburg start-up E-FARM for a year now. The digital company has developed an online platform which maps and safeguards the complete marketing process for used agricultural machinery.

Home | CLAAS

Back in 1946, the first CLAAS combines were exported to England. The distribution company that was created as a result in Saxham, close to the east coast of England, has officially belonged to the CLAAS group since 1980. Since many British farmers work with extremely large arable areas, the powerful LEXION combine is the machine most in demand.
