An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique’s Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: “This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one.” Praise for Enrique’s Journey “Magnificent . . . Enrique’s Journey is about love. It’s about family. It’s about home.”—The Washington Post Book World “[A] searing report from the immigration frontlines . . . as harrowing as it is heartbreaking.”—People (four stars) “Stunning . . . As an adventure narrative alone, Enrique’s Journey is a worthy read. . . Nazario’s impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one.”—Entertainment Weekly “Gripping and harrowing . . . a story begging to be told.”—The Christian Science Monitor “[A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid.”—Newsday

The poems in this sequence of fifty-four were written to encompass one year, from summer to summer. Their principal themes are the stasis, both stultifying and provocative, of midsummer in the tropics; the pull of the sea, family, and friendship on one whose circumstances lead to separation; the relationship of poetry to painting; and the place of a poet between two cultures. Walcott records, with his distinctive linguistic blend of soaring imagery and plainly stated facts, the experience of a mid-lief period--in reality and in memory or the imagination. As Louis Simpson wrote on the publication of Walcott's The Fortunate Traveller, "Walcott is a spellbinder. Of how many poets can it be said that their poems are compelling--not a mere stringing together of images and ideas but language that delights in itself, rhythms that seem spontaneous, scenes that are vividly there?...The poet who can write like this is a master."

Turner Buckminster hates his new home of Phippsburg, Maine, but things improve when he meets Lizzie Bright Griffin, a girl from a poor island community founded by slaves that the town fathers want to change into a tourist spot.

Published anonymously in 1729, Jonathan Swift’s satirical essay, A Modest Proposal, puts forth the darkly comical idea that the starving poor of Ireland might alleviate their economic condition by selling their children as food for wealthy gentlemen and ladies. At its core, Swift’s Modest Proposal satirizes English exploitation of Ireland in particular and the heartless attitude that rich elites can develop towards the poor in general. Along with Gulliver’s Travels, A Modest Proposal is an early English example of the black comedic genre.
