Scott Hahn has the rare ability to explain the essential teachings of Catholicism in a totally accessible manner. Rather than burdening the reader with difficult or arcane references and arguments, he writes of familiar feelings and situations and allows the theology to unfold naturally. In *First Comes Love*, Hahn turns his attention to the search for a sense of belonging, revealing the intimate connection between the families men and women create on

earth and the divine family, the Holy Trinity. Delving into the Gospels, Hahn shows that family

terminology--words like brother, sister, mother, father, and home--dominates Jesus' speech and the writings of His first followers, and that these very words illuminate Christianity's central ideas. As he explores the fatherhood of God, the marriage of the Church to Christ, and the all-enveloping role of the Holy Spirit, Hahn deepens readers' understanding of the sacraments, teaches them how to create a family life in the image of the Trinity, and demonstrates the ways in which the analogy of the family applies to every aspect of Catholicism and its practices--from the role of "father" embodied by the ancient patriarchs and contemporary parish priests, to

the comfort and guidance offered by the brothers and sisters who comprise the Communion of Saints, to the nurturing embrace of Mary, the mother of all Christians. Through real-life examples (both humorous and compassionate) and quotations drawn from the Scriptures, Hahn makes it clear that no matter what sort of family readers come from--no matter what sort of "dysfunction" they have experienced--they can find a family in the Church. Reaching out to newcomers and to lifelong Christians alike, *First Comes Love* is an invitation to discover a true home in the divine.

story about family, friendship, and the courage to follow your own heart—wherever that may lead.

Growing up, Josie and Meredith Garland shared a loving, if sometimes contentious, relationship. Josie was impulsive, spirited, and outgoing, Meredith hardworking, thoughtful, and reserved. When tragedy strikes, their delicate bond splinters. Fifteen years later, Josie and Meredith are in their late thirties, following very different paths. Josie, a first grade teacher, is single—and this close to swearing off dating for good. What she wants more than the right guy, however, is to become a mother—a feeling that is heightened when her ex-boyfriend 's daughter is assigned to her class. Determined to have the future she 's always wanted, Josie decides to take matters into her own

hands. On the outside, Meredith is the model daughter with the perfect life. A successful attorney, she ' s married to a wonderful man, and together they ' re raising a beautiful four-year-old daughter. Yet lately Meredith feels dissatisfied and restless, secretly wondering if she chose the life that was expected of her rather than the one she truly desired. As the anniversary of their tragedy looms, and painful secrets from the past begin to surface, Josie and Meredith must not only confront the issues that divide them but also come to terms with their own choices. In their journey toward understanding and forgiveness, both sisters discover that they need each other more than they knew—and that in the search for true happiness, love always comes first. In this hilarious memoir, a pampered city girl falls head over little black heels in love with a Peace Corps poster boy and follows him—literally to the ends of the earth. Eve Brown always thought she would join the Peace Corps someday, although she secretly worried about life without sushi, frothy coffee drinks and air conditioning. But with college diploma in hand, it was time to put up or shut up. So with some ambivalence she arrived at the Peace Corps office, sporting her best safari chic attire, to casually look into the steps one might take to become a global humanitarian, a la Angelina Jolie. But when Eve meets John, her dashing

young Peace Corps recruiter, all her ambivalence flies out the window. She absolutely must join the Peace Corps and win John's heart in the process. After spending a year in the jungle in Ecuador, she runs back to the states, vowing to stay within easy reach of a decaf cappuccino for the rest of her days. Just as she's getting reacquainted with the joys of toilet paper, John gets a job with CARE and Eve must decide if she 's up for life in another third world outpost. Before you can say, "pass the malaria prophylaxis," the couple heads off to Uganda, and the fun really begins— if you call having rats in your toilet fun. Fortunately, in Eve 's case you certainly can, because to her, every experience is an adventure to embrace and the pages come alive with all of the poignant and
