For a multitude of reasons, we can sometimes miss books when they are first released and we never revisit them. 'Number The Stars by Lois Lowry is considered a 'modern classic' by some yet I had never read it until recently. I put it down to the fact that I was only 7 when it was first published back in 1989.

A National Book Award Finalist, this remarkable graphic novel is about growing up in a refugee camp, as told by a former Somali refugee to the Newbery Honor-winning creator of Roller Girl. Omar and his younger brother, Hassan, have spent most of their lives in Dadaab, a refugee camp in Kenya. Life is hard there: never enough food, achingly dull, and without access to the medical care Omar knows his nonverbal brother needs. So when Omar has the opportunity to go to school, he knows it

might be a chance to change their future . . . but it would also mean leaving his brother, the only family member he has left, every day. Heartbreak, hope, and gentle humor exist together in this graphic novel about a childhood spent waiting, and a young man who is able to create a sense of family and home in the most difficult of settings. It's an intimate, important, unforgettable look at the day-to-day life of a refugee, as told to New York Times Bestselling author/artist Victoria Jamieson by Omar Mohamed, the Somali man who lived the story.

In search of the mysterious element known as aether, Claire Dulac flew her hot air balloon toward the edge of our stratosphere—and never returned. Her husband, genius engineer Archibald Dulac, is certain that she is forever lost. Her son, Seraphin, still holds out hope. One year after her disappearance, Seraphin and his father are delivered a tantalizing clue: a letter from an unknown sender who claims to have Claire's lost logbook. The letter summons them to a Bavarian castle, where an ambitious young king dreams of flying the skies in a ship

powered by aether. But within the castle walls, danger lurks—there are those who would stop at nothing to conquer the stars. In *Castle in the Stars*, this lavishly illustrated graphic novel, Alex Alice delivers a historical fantasy adventure set in a world where man journeyed into space in 1869, not 1969.

"A grandmother shares the story of her experiences in WWII with her grandchild in this graphic novel for young readers"--

Barney and Hooker are together again and

fighting crime, leaving a trail of chaos, panic, and disorder in their wake. Some would say they're drawn toward trouble like a moth to a flame. Others would claim their friends, Rosa and Felicia, dump trouble in Barney's and Hooker's laps. Either way, they are in over their heads when Rosa is kidnapped, and her disappearance is linked to a dangerous voodoo priest and his search for a mystery-drenched stolen statue.
