"Jesus Through Middle Eastern Eyes is intended, explains its author, 'to contribute new perspectives from the Eastern tradition which have rarely, if ever, been considered outside the Arabic-speaking Christian world.' Strictly speaking, of course, Kenneth Bailey does not offer new perspectives, but ideas frequently as old as the earliest church and as the ancient church fathers, that may well be new to many of his Western readership.

As it says in the title it is through middle eastern eyes (or culture) that the interpretation comes and much of our traditional 'western church' interpretations are brought in to question. The outcome for me was a new appreciation of the theology of Jesus (yes he taught theology!) and an even deeper admiration for Jesus the man, the prophet, the Word made flesh.

Beginning with Jesus' birth, Ken Bailey leads you on a kaleidoscopic study of Jesus throughout the four Gospels, examining the life and ministry of Jesus with attention to the Lord's Prayer, the Beatitudes, Jesus' relationship to women, and especially Jesus' parables. The work dispels the obscurity of Western interpretations with a stark vision of Jesus in his original context.

In Jesus of Arabia, the Reverend Canon Andrew Thompson introduces an unfamiliar Jesus—Jesus in the context of his home in the Middle East. Whether readers believe Jesus to be a prophet or the messiah, Thompson enhances our understanding of his work and character by looking at his social context as a man and Middle Easterner. Jesus's teachings take on new meaning as Thompson explores themes including family in Arabia, gender roles in the region, food culture, and more. Jesus of Arabia looks at the bridges between Islam and Christianity through the figure of Jesus and how the two communities may reflect each other despite their differences. Thompson draws on his experience as a priest in the Anglican Church and his many years living in the Middle East to analyze the often conflicting roles and loyalties concerning family, culture, and God. A timely and incisive work, Jesus of Arabia invites us to consider contemporary views of the Middle East and how a figure like Jesus might be received today.

In this groundbreaking study of Paul's first epistle to the Corinthians, Kenneth Bailey examines the canonical letter through Paul's Jewish socio-cultural and rhetorical background and through the Mediterranean context of its Corinthian recipients.

Kenneth Bailey, with his celebrated insights into Middle Eastern culture, traces the theme of the good shepherd from its origins in Psalm 23 through the prophets and into the New Testament, observing how it changed, developed and was applied by the biblical writers over a thousand-year span.

Drawing on his extensive knowledge of both the New Testament and Middle Eastern culture, Kenneth E. Bailey presents an interpretation of the parable of the prodigal son from a Middle Eastern perspective and, in doing so, powerfully demonstrates its essentially Christian message.

Encounter Jesus Like Never Before through Eastern Eyes Throughout these pages, Ravi Zacharias and Abdu Murray invite readers to rediscover the cultural insights we often miss when we ignore the Eastern context of the Bible. They offer a refreshing picture of Jesus, one that appeals to Eastern readers and can penetrate the hearts and imaginations of postmodern Westerners. In Seeing Jesus from the East, Ravi Zacharias and Abdu Murray show us why a broader view of Jesus is needed - one that recognizes the uniquely Eastern ways of thinking and communicating found in the pages of the Bible. Zacharias and Murray capture a revitalized gospel message, presenting it through this Eastern lens and revealing its power afresh to Western hearts and minds. Incorporating story, vivid imagery, and the concepts of honor and shame, sacrifice, and rewards, Seeing Jesus from the East calls believers and skeptics, both Eastern and Western, to a fresh encounter with the living and boundless Jesus.

Here is an exciting Christmas drama informed by Kenneth Bailey's career as a renowned biblical scholar and by his years of living in the Middle East. The drama (featuring 30 minutes without music or 50 minutes with music) is biblically accurate, heartwarming and perfectly suited for church performance.

Explores the four parables in Luke 15. Shows how the cultural background of Arabic and Muslim theology affects the interpretation of these parables.

Brandon O'Brien and Randy Richards shed light on the ways that Western readers often misunderstand the cultural dynamics of the Bible. Identifying nine areas where commonplaces of modern Western thought diverge with the text, the authors ask us to reconsider long-held opinions about our most beloved book.

Drawing on a lifetime of study in both Middle Eastern culture and the Gospels, Kenneth E. Bailey compares the Old Testament saga of Jacob and the New Testament parable of the prodigal son, offering a fresh view of how Jesus interpreted Israel's past, his present, and their future.
