This extensively revised third edition serves as a textbook for B.Com. and other professional courses in accounting. It covers the new syllabus of Cost Accounting recommended by U.G.C. for B.Com. courses and also the syllabus of Cost Accounting (PE-II Exam., of ICAI). The text is example based and illustrates each concept by providing solved problems that demand the application of the concept. In addition, under the section, "Review Problems", complete solutions to a large number of problems selected from professional examinations have been incorporated. A key feature of the book is discussion at the end of each solution, under "Points to Remember", that provides insights into the problem. Learning cost accounting using this book will be more enjoyable as the problems are interesting and arranged in order of difficulty.

Horngren's "Cost Accounting" defined the cost accounting market and continues to innovate today by consistently integrating the most current practice and theory. This acclaimed, number one market-leading book embraces the basic theme of "different costs for different purposes." It reaches beyond cost accounting procedures to consider concepts, analyses, and management. This latest edition of "Cost Accounting" incorporates the latest research and most up-to-date thinking into all relevant chapters. Professional issues related to Management Accounting and Management Accountants are emphasized. Chapter topics cover the accountant's role in the organization to performance measurement, compensation, and multinational considerations. For future accountants who want to enhance their understanding of-and ability to-solve cost accounting problems.

Includes Part 1, Number 2: Books and Pamphlets, Including Serials and Contributions to Periodicals July - December)

Cost Accounting is designed to provide essential skill sets to managers for planning and controlling their business financials. Covering a wide range of topics, this book is suitable for both undergraduate and postgraduate students of business study courses offered by universities across India. It also meets the requirement of the students of CA, ICWA and CS.
