The Great Escape - Princeton University

In The Great Escape, Angus Deaton--one of the foremost experts on economic development and on poverty--tells the remarkable story of how, beginning 250 years ago, some parts of the world experienced sustained progress, opening up gaps and setting the stage for today's disproportionately unequal world. Deaton takes an in-depth look at the historical and ongoing patterns behind the health and wealth of nations, and addresses what needs to be done to help those left behind.
