However, then as now, the core of the book remains the exhaustive treatment of common-practice harmony, the subject of most one-year or two-year courses in tonal harmony. In the present edition, the entire text has been carefully revised with a view to clarifying the language and illuminating the essential principles.

Does anyone have the audio CD for "Tonal Harmony" 4th edition?

Hi. My name is Chris, and I'm new here. I have been teaching myself music theory by myself with the text book, Tonal Harmony 5th ed. I find music theory fascinating, and enjoy learning about it. For some time, I have realized that without having the cds to listen to the audio examples, I am missin...
