V70

The Volvo V70 is an executive car manufactured and marketed by Volvo Cars from 1996 to 2016 across three generations. The name V70 combines the letter V, standing for versatility, and 70, denoting relative platform size (i.e., a V70 is larger than a V40, but smaller than a V90). The first generation (1996–2000) debuted in November 1996.
