If you want to get started but aren't sure where to begin, Raspberry Pi User Guide, 3rd Edition contains everything you need.

This is the book for anyone who aspires to the title "informed citizen." It clearly explains how political news works, how the media influences readers—and how to sort through it all to be a better, smarter consumer of political news. • Shows readers how to spot bad political arguments, as well as why they should be skeptical of the "hard data" behind many of those arguments • Shares clear, accessible explanations of the ever-present biases that affect our view of political news • Offers a multitude of clear examples taken from current politics on ways in which media distorts political information and messages • Provides a compelling look at social media platforms such as Facebook and Twitter as sources of political information, how we perceive information from these venues, and how they affect our understanding of American political dialogue

Qualitative Research in Education: A User's Guide, Third Edition continues to bring together the essential elements of qualitative research, including traditions and influences in the field and practical, step-by-step coverage of each stage of the research process. Synthesizing the best thinking on conducting qualitative research in education, Marilyn Lichtman uses a conversational writing style that draws readers into the excitement of the research process.

WordPress Website Owner's Manual 2018 Do you have a WordPress website or blog that you'd like to update but aren't sure how to do it? Maybe you want to change some text. Maybe you've heard about sites getting hacked and want to keep your site safe. Also, what about search engines? Wasn't the whole point of getting a WordPress site that you'd be able to do some of these things yourself? Now it looks pretty complicated and you're not sure where to start. The problem is that you're missing a key piece of the puzzle. Your site didn't come with an owner's manual. So here it is! The WordPress Website Owner's Manual shows you how to manage, update and take care of your WordPress website. The language is easy to understand. The manual has plenty of images so that you can actually see what buttons to click and how things should look. This is the second edition of the book. If you bought the first one you'll wonder what's changed in this version. Updated content for WordPress 4.9.4 Quick Start section to get you working ASAP Updated list of recommended plugins Here's the Table of Contents: Introduction What's What? Missing the Bottom Row Missing Post or Page WordPress 5 Resources This book is perfect for the small business owner or entrepreneur who already has a WordPress website. Note that this book doesn't have any information how to set up a WordPress site or picking a theme. The WordPress Website Owner's Manual was written for people who already have a website and want to save money and time by taking care of it themselves.

Michael Swanson ' s online discussions with literally thousands of NexStar owners made it clear that there was a desperate need for a book such as this – one that provides a complete, detailed guide to buying, using and maintaining NexStar telescopes. Although this book is highly comprehensive, it is suitable for beginners – there is a chapter on "Astronomy Basics" – and experts alike. Celestron ' s NexStar telescopes were introduced in 1999, beginning with their first computer controlled "go to" model, a 5-inch. More models appeared in quick succession, and Celestron ' s new range made it one of the two dominant manufacturers of affordable "go to" telescopes.

The first guide to show you how to power your site using Umbraco. More companies are turning to the power and simplicity of Umbraco's web content management system to build robust, customized sites. Written by leaders in the Umbraco community, this invaluable guide takes you through every aspect of this open source tool. Code samples using XHTML, CSS, XSLT, and C# are integrated throughout the pages to illustrate key concepts that you can apply. As you work through the chapters, you'll progress from building a basic Umbraco site to a sophisticated one that meets the needs of your organization. Umbraco User's Guide: Explains how to install Umbraco and walks you through its XML structure Discusses how to create templates while building your understanding of layouts Offers best practices for developing content, designing types, organizing templates, and using the rich text editor Walks you through XSLT and .NET controls Helps you build sample applications and troubleshoot any issues that arise Covers how to create your own classified ads site by combining document types, templates, styles, macros, and more
