Shelves: star-trek-deep-space-nine This is somewhere between a 3 and a 4. On the positive side, Wrath of the Prophets moves along quickly, giving most of the series regulars something interesting to do. It also teams them up in some unusual pairings (aka Sisko and Quark) instead of sticking primarily to the tried and true relationships.

Wrath of the Prophets by Peter David - Goodreads

Wrath of the Prophets is a Pocket DS9 novel — #20 in the numbered series — written by Peter David, Michael Jan Friedman and Robert Greenberger. Published by Pocket Books, it was first released in May 1997.

Wrath of the Prophets | Memory Alpha | Fandom

The Wrath of the Prophets was a plague that inflicted Bajor in the mid 24th century. This virus spread on the Bajoran home world in 2372 where the lack of a cure resulted in many on the planet believing that it was a sign of displeasure from the Prophets. (DS9 novel: Wrath of the Prophets) This article is a stub relating to medicine. You can help our database by expanding on it.

The Prophets make a few brief appearances in Star Trek Online. During the "Cardassian Struggle" story arc, the player recovers the "Orb of Possibilities" from a True Way ship, but upon bringing it to them, learns that it is from the mirror universe.

Prophet | Memory Alpha | Fandom

The Pah-wraiths were non-corporeal beings and enemies of the Bajoran Prophets. Bajoran religious texts related that the Pah-wraiths once resided in the Celestial Temple alongside the Prophets. For reasons unknown, they were banished to the Fire Caves on Bajor. According to ancient Bajoran texts, they were "false Prophets". The name "Kosst Amojan" was sometimes used to refer to them. The Pah ...

Star Trek is an American media franchise based on the science fiction television series created by Gene Roddenberry. The first television series, simply called Star Trek and now referred to as "The Original Series", debuted in 1966 and aired for three seasons on NBC. The Star Trek canon includes The Original Series, seven spin-off television series, two animated series, and thirteen films.

When a fatal disease spreads over Bajor, threatening the entire planet with extinction, Captain Sisko must accept aid from an unexpected source: Ro Laren, Starfleet officer turned Maquis renegade. Major Kira and Ro reluctantly join forces to track the alien plague to its source -- even as the disease claims new victims on Deep Space Nine itself. Dr. Bashir struggles to find a cure, but the secret of the virulent invader may hide deep in the shadows of Dax's past.

Continuing the Deep Space Nine saga—an original novel from New York Times bestselling author Judith Reeves-Stevens! Now begins the final battle of the Prophets and the Pah-wraiths within the nightmarish realm of nonlinear time—as the greatest epic adventure in the saga of Deep Space 9™—reaches its staggering conclusion... As predicted in ancient Bajoran texts, the Celestial Temple has been restored, ending normal space-time existence for all except Captain Benjamin Sisko and those trapped on the Starship Defiant and the Klingon warship Boreth. But as apocalyptic war rages between the Prophets and the Pah-wraiths, one last chance for survival beckons—a return to Deep Space 9. Yet, in the realm of nonlinear time, it appears that there are two possible times at which Sisko and his allies can turn to the station: on the day of the Cardassian Withdrawal, or on the day six years later when DS9 Was destroyed. But which choice will lead to the triumph of the Prophets? And which to eternal victory for the Pah-wraiths? With time literally running out and the fate of the universe in his hands, Sisko now must confront his own personal inferno—in order to change the past and restore the present, he must be ready to make the ultimate sacrifice...his future...

Almost a century ago, Captain James T. Kirk and the crew of the Starship Enterprise™ first encountered the irresistible (and astonishingly prolific) life-form known as the Tribbles⁵, resulting in one of the most unusual adventures in the annals of Starfleet. Now Captain Benjamin Sisko and the crew of the Defiant are transported back in time to that historic occasion, where Darwin, a devious Klingon spy, plots revenge against Captain Kirk. Using the seemingly harmless tipples, Darwin attempts to destroy Kirk -- but for the misplaced residents of Deep Space Nine™ saving the original Enterprise will be nothing but "tribble." An exciting new novel based on the most mind-boggling STAR TREK: DEEP SPACE NINE adventure of them all!

Millenia ago, an apocalyptic battle was fought in the Alpha Quadrant. The losers were banished, but what became of the victors? The Federation is threatened by this ancient mystery when a battered and broken version of the Defiant is found, frozen for five thousand years, in an icy cloud of cometary debris. Captain Sisko and the crew of Deep Space Nine™ are summoned to answer the most baffling question of their lives: how and when will their ship be catapulted back through time to its destruction? And does its ancient death mean that one of the combatants in a primordial battle is poised now to storm the Alpha Quadrant? Only the wormhole holds the answer -- and the future of the Federation itself may depend on the secrets it conceals.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Welcome, Emissary. As Benjamin Sisko picked his way over the wreckage that was his new command, a thousand questions, countless problems, dire reports, and the soon-to-be-familiar harangue of the Bajoran Liaison Officer clamored for his attention. From the shadows, a monk stepped out and greeted him. With all that had happened, it is no small wonder that Sisko took that greeting and relegated it to the back of his mind. Six years have passed. Despite the recent retaking of Deep Space 9™, it seems that the Federation is losing the Dominion war. As commander of a front-line post, Sisko focuses on the war effort, paying little attention to the latest rumor. "The fabled lost Orbs of the Prophets have been recovered. Legend holds that these orbs are the key to unlocking a second wormhole -- a second Celestial Temple." In war, sometimes the little things you don't notice are your undoing. Now Benjamin Sisko, a man of science and a Starfleet officer -- and also the Emissary -- is swept up in the ultimate war of good versus evil. Every decision he makes draws him, his family, and his crew into the abyss. Faced with the possibility that he alone must decide the fate of life in the galaxy, Captain Sisko must unlock the truth behind the fabled Orbs of the Prophets or the future, the past, and even the present will wink out of existence!

Abraham Heschel is a seminal name in religious studies and the author of *Man Is Not Alone* and *God in Search of Man*. When *The Prophets* was first published in 1962, it was immediately recognized as a masterpiece of biblical scholarship. *The Prophets* provides a unique opportunity for readers of the Old Testament, both Christian and Jewish, to gain fresh and deep knowledge of Israel's prophetic movement. The author's profound understanding of the prophets also opens the door to new insight into the philosophy of religion.

Best Book of the Year NPR • The Washington Post • Boston Globe • TIME • USA Today • Entertainment Weekly • Real Simple • Parade • BuzzFeed • Electric Literature • LitHub • BookRiot • PopSugar • Goop • Library Journal • BookBub • KCRW • Finalist for the National Book Award • One of the New York Times Notable Books of the Year • One of the New York Times Best Historical Fiction of the Year • Instant New York Times Bestseller A singular and stunning debut novel about the forbidden union between two enslaved young men on a Deep South plantation, the refuge they find in each other, and a betrayal that threatens their existence. Isaiah was Samuel's and Samuel was Isaiah's. That was the way it was since the beginning, and the way it was to be until the end. In the barn they tended to the animals, but also to each other, transforming the hollowed-out shed into a place of human refuge, a source of intimacy and hope in a world ruled by vicious masters. But when an older man—a fellow slave—seeks to gain favor by preaching the master's gospel on the plantation, the enslaved begin to turn on their own. Isaiah and Samuel's love, which was once so simple, is seen as sinful and a clear danger to the plantation's harmony. With a lyricism reminiscent of Toni Morrison, Robert Jones, Jr., fiercely summons the voices of slaver and enslaved alike, from Isaiah and Samuel to the calculating slave master to the long line of women that surround them, women who have carried the soul of the plantation on their shoulders. As tensions build and the weight of centuries—of ancestors and future generations to come—culminates in a climactic reckoning, *The Prophets* fearlessly reveals the pain and suffering of inheritance, but is also shot through with hope, beauty, and truth, portraying the enormous, heroic power of love.

WELCOME TO THE NEW DEEP SPACE 9 After the destruction of the original space station by a rogue faction of the Typhon Pact, Miles O'Brien and Nog have led the Starfleet Corps of Engineers in designing and constructing a larger, more advanced starbase in the Bajoran system. Now, as familiar faces such as Benjamin Sisko, Kasidy Yates, Ezri Dax, Odo, and Quark arrive at the new station, Captain Ro Laren will host various heads of state at an impressive dedication ceremony. The dignitaries include not only the leaders of allies—such as Klingon Chancellor Martok, Ferengi Grand Nagus Rom, the Cardassian castellan, and the Bajoran first minister—but also those of rival powers, such as the Romulan praetor and the Gorn imperator. But as Ro's crew prepares to open DS9 to the entire Bajor Sector and beyond, disaster looms. A faction has already set in action a shocking plan that, if successful, will shake the Alpha and Beta Quadrants to the core. And what of Kira Nerys, lost aboard a runabout when the Bajoran wormhole collapsed? In the two years that have passed during construction of the new Deep Space 9, there have been no indications that the Celestial Temple, the Prophets, or Kira have survived. But since Ben Sisko once learned that the wormhole aliens exist nonlinearly in time, what does that mean with respect to their fate, or that of the wormhole . . . or of Kira herself?

Cut off from the "Enterprise" and fighting a charge of terrorism on Kirlos--a planet built by an enigmatic dead race called the Ariantu--Geordi, Data, and Worf try to prevent the long-dormant doomsday machinery of the Ariantu from reawakening
